

COLO HIGH SCHOOL – UNIFORM EXPECTATIONS

COLO HIGH SCHOOL UNIFORM INFORMATION & PROCEDURES

Rationale

Colo High School seeks to provide high standards of education, self-esteem, and safety for all students. School uniform has a number of benefits including:

- promote the development of school spirit;
- provide clear identification of students within the school and the community;
- promotes cohesion between students allowing all students to be treated equally;
- encourages self-discipline within the student.

The school community including parents, students, staff, and P&C believe wearing school uniform contributes to achieving these goals and maintaining high standards.

The NSW Department of Education supports the wearing of school uniform, which promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community.

CHS Expectations

It is the expectation of the school community that all students attending Colo High School will always wear the correct uniform. Cooperation is sought from Parents/Caregivers in ensuring school uniform is worn to school every day.

The Department of Education, in accordance with the Safe Working Policy, has identified areas where appropriate footwear must be worn by staff, students and visitors to ensure safety. This includes Industrial Arts Workshops, Science Rooms, Kitchens & Textiles Rooms (Home Economics), and Art Rooms.

Ongoing non-compliance will result in a student being excluded from certain areas of the school or extra-curricular activities.

If financial assistance is required a parent/caregiver should contact the school.
